

Company Profile

Watanabe Seimitsu industries, LTD

Address	1-59-1 Jyuichiya, Minato-ku, Nagoya, AICHI, 455-0831 JAPAN
Tel	+81-52-383-8282
Email	info@WSL-G.co.jp
Website	https://www.WSL-G.co.jp/
Contact Person	Masaaki Teranishi (President)
Capability Category	Measurement jigs and inspection jigs for parts inspection and measurement jigs Machine jig for parts processing Mechanical parts Design for jigs
Representative	Masaaki Teranishi
Sales Amount	500 million yen
Capital	24 million yen
Employees	40
Established	1947
Certification	MSJ4000
Major Customers	Mitsubishi Hevy Industries, LTD DENSO CORPORATION NGK INSULATORS, LTD.

Business Overview

- Since our founding, we have been involved in the aerospace industry and have manufactured jigs and tools for the automobile industry, electrical industry, semiconductor industry, etc.
- We are good at manufacturing high precision jigs and tools with complicated shapes. The accuracy is in units of 0.001mm.
- We have a design department. We can provide one-stop service from design, manufacturing and quality assurance.
- In recent years, we have been focusing on building a network of cooperating factories, and it has become possible to respond to customer requests in a timely manner regardless of material, size, and accuracy.

Products · Materials · Part Sizes · Facilities & Equipment

- Products · Materials · Part Sizes:
Surface grinding machine, cylindrical grinding machine, internal grinding machine, profile grinding machine, jig grinding machine, jig drilling machine
- Facility&Equipment:
electric discharge machine, wire electric discharge machine
Machining center, vertical milling machine, lathe
Block gauge, precision surface plate, length measuring machine, shape measuring machine, surface roughness measuring machine, Coordinate Measuring Machine

Our Strength

- ① Precision is in units of 0.001mm
- ② Measuring jigs, inspection jigs, masters, machine jigs, Prototype
- ③ Equipment parts
- ④ Jig tool and machine jig design
- ⑤ From 1 to thousands

Needs we can correspond / Business partners we want

- ① We can accept orders for precision jigs and tools, general jigs and tools, equipment parts.
- ② Lathe, milling, polishing
- ③ We can produce high-mix low-volume production to thousands of pieces.
- ④ Hard to cut materials

Office & Plants

Headquarters factory only
