

Company Profile

AIKOKU ALPHA CORPORATION

Address	Morikami, Sobue-cho, Inazawa, Aichi 495-8501, Japan
Tel	+81-587-97-1115
Email	kengo-hiei@aikoku.com
Website	https://www.aikoku.co.jp/en/
Capability Category	Metal Cutting
Representative	Katsufumi Hida

Capital	1.2 billion Yen
Employees	1041
Established	1943/8/18
Certification	AS9100 (JISQ9100), IATF16949, ISO14001
Major Customers	•Mitsubishi Heavy Industries, Kawasaki Heavy Industries, Shinmaywa Industries, SUBARU •Garrett Advancing Motion •Rolls-Royce

Business Overview

Simultaneous 5-Axis Machining

Products · Materials · Part Sizes · Facilities & Equipment

Aircraft Engine & Frame Parts, Impeller, Blisk
Max. size: □4000 x 2000 mm, φ1700 mm
Over 120 5-Axis Machining Centers

Our Strength

Advanced Production Technology with CATIA 3D Solution (Modeling & Verification)
5-Axis Machining for Complex Geometry
Quality Management System for Aerospace & Automobile Industries
In-house Designed Metal Cutting Tool

Needs we can correspond / Business partners we want

Complex Parts to be machined from Mg, Al, Iron, SUS, Inco, etc.
Prototype to Mass Production

Office & Plants

Morikami Sobue Inazawa Aichi 495-8501, Japan
