Business Overview

OSG is the world's largest manufacturer of round cutting tools, with top global market share in taps, drills and end mills. OSG has always strived to provide quality products in sync with the latest technology and customer needs. This philosophy is the corporate DNA of OSG and the driving force of its global operation. Our production, sales, and technical support network are now in 33 countries.

Products • Materials • Part Sizes • Facilities & Equipment

Cutting tools in general including taps, drills, end mills, indexable tools, rolling dies, and gages

Our Strength

OSG has been committed to developing quality products that truly exceed the expectations of each customer. This spirit remains alive in all facets of our operation today, and has given OSG the strength to challenge the status quo and deliver products and services in sync with manufacturing needs of the times. Our corporate tagline "shaping your dreams" summarizes this passion for new challenges and commitment to transform each and every one of our customers' dreams into reality.

Office & Plants
